Palma Duty Officer (Major Jokić) – Badem – X - Y

: Hello, Badem. Let me talk to BEARA.
B: Who wants to talk to him?
: The Palma duty officer wants to talk to him. BEARA is needed urgently, somebody needs him. The higher house urgently needs him, but he has to call me.
B: OK.
P: OK what? Give me BEARA, don't hang up.
J: Hello, who is it, Major, I'm the duty officer at Palma, I need BEARA urgently. This is Major JOKIĆ, who is that? Why the fuck are you not answering? Is Ostoja there? Is Brko there? Don't fuck around, the line has to be free and you must pick it up right away! Who is Ostoja? Is Ostoja there? Have him call me urgently. I will, I will. Hello! Hello!
B: Here is BEARA, you have him on the line.
J: Hello!
X: ... Hello. Is the operations duty officer looking for me? Go ahead. VOJANOVIĆ is not here, he is up at Snagovo. There are some problems there, at the line I've told you about. The Turks have pushed our guys back toward Crni Vrh.
Y:

X: Yes. I told him to consolidate the lines up there. That's it.
J: Hello!
B: Just a moment. One moment old man.
J: Is that BEARA? JOKIĆ here.
BE:
J: We were together Colonel, Sir. Number 155 called you and asked you to call him urgently.
BE:

J: Number 155. That's, I mean, the higher house, you go ahead and call them, you have, so I don't speak like this.
BE:
J: Yes. Hey. We have huge problems over here.
BE:
J: There are big problems. Well with the people, I mean, with the parcel.
BE:
J: Who? Drago is nowhere around. I don't know where the others are all day.
BE:

J: What? Call up there number 155 in the higher house and that's it. OK boss.
BE: ... Why number 155. Where is that?
J: Well I can't tell you on this line, you know. You have it over there at the signalmen', who that is.
BE: Yes?
J: Bye.
Remark: Thanks to the switchboard operator's mistake at Badem we recorded a conversation between X and Y, who couldn't be heard, while he was intercepting and the line 44 was open for JOKIĆ.
